

PolyCover

Specialist Flexible Packaging

Mitre Seal Stand-up Sacks

Features include:

- 100% food safe, BRC Certified AA+
- Suitable for storing larger batches
- Ideal for use within food and pharmaceutical production
i.e. perfect for capsules, tablets, powders or grains
- 100% recyclable material, available in a range of colours
- Eliminates product entrapment in the triangular gusset pockets
- The bottom gusset allows the product to naturally stand when filled and the mitre seal (illustrated in blue) reduces pressure on the side seal to prevent leakage
